The Music Industry Travel Assistance Program ("MITAP") is administered by the Music BC Industry Association on behalf of the *Province of British Columbia's Ministry of Tourism, Culture and the Arts*. MITAP provides assistance to BC based recording artists to participate in performance and showcasing initiatives that are undertaken in support of BC owned sound recordings. MITAP also assists BC based music businesses to participate in conferences and other business travel in order to support BC based recording artists.

There is one type of initiative supported by MITAP Business Travel Grants:

1) Business Travel (Domestic or International)

Applications must be received on or before the deadline AND prior to the initiative taking place.

A recording artist, group or individual may receive assistance under this program once per fiscal year. (April 1, 2011 - March 31, 2012).

Companies, representatives, managers, labels, publishers or distributors may be eligible for multiple artists for artist touring, showcasing and promotion but may only be eligible for one business travel grant in any given fiscal year.

No applicant may receive further assistance under this program if an application from a previous MITAP deadline remains incomplete.

10. Business travel initiatives will be considered for businesses to attend established music industry conferences and festivals. In the case of a business not attending an established music industry conference or festival, the applicant must present their case to the jury by an attached written document explaining the nature of their travel, specific dates, how this initiative fits into their business plan, and which music industry representatives will be present or confirmed meetings with.
11. Only one business can apply on a MITAP application form for BUSINESS Travel grants. For example, if there are multiple businesses working together, they each must submit separate MITAP applications to apply for funding. In the case of two or more businesses applying for a MITAP business grant where they both or all state representation for the same BC artist(s), Music BC will contact both applicants via phone and/or email for a response within 48 hours as to which application is to be removed from consideration for funding, or pending if one applicant can remove said BC artist from their application and still remain eligible, Music BC can remove that information from the application. If Music BC does not receive a response within 48 hours from either applicant, both applications may be removed from consideration for funding at Music BC's discretion. Applicants are instructed to contact other businesses involved in representing their BC artists to ensure they are not also applying for a MITAP Business travel grant representing said artist(s).

Music BC will develop anonymous, independent, fair and equitable peer adjudication panels comprising of three to five persons representing artists, music industry and a range of music genres. Music BC will also ensure that a representative of the Province is invited to attend each jury with observer status. Juries will review applications no later than six (6) weeks after an application deadline to select grant recipients. The identities of the jurors will not be made available to the public or applicants. Music BC will secure different industry professionals for each jury who are knowledgeable of the genres and types of initiatives applications outline for that deadline. Music BC will ensure that jurors do not have any conflicts of interest with the applicants for that jury. All jurors shall be required to sign an acknowledgement of conflict of interest in order to ensure adjudication fairness.

Applications will be assessed on the basis of the completed application form AND the support material. A qualifying applicant and project does not guarantee approval. The jury has discretion to award less than the amount requested and to pro-rate funding as between various applicants.

The jury shall be instructed to consider balancing between the types of applications and genres being represented when granting awards. The jurors will also consider the relative merits of the applications and the desire for representation from a range of genres and geographical locations throughout the province.

Applications will be assessed on the basis of the following criteria: The market potential of the recording artist or group within their genre; the significance of the showcase or touring venues the overall marketing strategy submitted in support of the project; the career leveraging opportunities for the participating artists.

Business applicants shall be adjudicated based on the merit of the artists being represented, the quality of the marketing plan and the feasibility of the results being presented.

Successful applicants will be presented a contractual agreement. Upon completion and return of a signed agreement, 50% of the award will be released to the applicant. Upon completion of a survey & final report form supplied by Music BC and submission of receipts and documentation related to the initiative, the remaining funds will be released pending review by Music BC staff and the Music BC bookkeeper.

If the initiative is cancelled or altered in any way without consent of Music BC, the applicant must immediately return any monies given to the applicant by Music BC. Music BC reserves the right to pay awards by installments other than what is outlined above, or to withhold any portion of the award, pending completion or acquisition of required documents.
