5. Applicants that are limited companies, partnerships or sole proprietorships must be registered BC businesses whose majority ownership must be held by BC residents (having resided in BC for a period of six months or more) who are Canadian citizens or permanent residents of Canada. 6. All individual applicants must be Canadian citizens or permanent residents of Canada and must have resided in BC for a period of six months or more prior to and at the time of applying under this program.
7. ****UPDATE**** The artist who will benefit from this grant must be a BC artist. A BC artist is an artist that has been a resident of BC for six months or more prior to and at the time of application and is a Canadian citizen or permanent resident of Canada. In the case of a band or group, majority or 50% of the permanent performing members must meet the above citizenship and BC residency requirements.
8. The content of the sound recordings being used to support the application must be original Canadian works as per MAPL guidelines, although exceptions may be made for jazz, classical, and roots/traditional genres or ensembles.

9. The recording that the initiative is in support of must have been released within 24 months before the first date of the initiative, or scheduled for release within 6 months after (confirmation of release date required). Exceptions may be made for jazz, classical, and traditional genres or ensembles.

10. The recording the initiative is in support of may be distributed independently or through a recognized distributor, and must be available for sale in BC (or in the territory being traveled to). A recording shall be considered a commercially released sound recording: Single, EP, or Album format, and distribution may include physical and/or digital releases.

11. Applicants are required to complete a report detailing the outcome of their funding including measurable results, business contacts, and actual and potential deals secured as a result of the initiative. This report (template to be supplied by Music BC) will be required in order to receive the final funding payment.

12. As a condition of funding, recipients are required to acknowledge funding assistance on all public print, digital and online materials (including social media mentions when possible) related to the project being funded as follows: "We acknowledge the support of Creative BC, financially supported by the Province of British Columbia." Grant recipients will be required to submit examples of acknowledgement and approved logo use in their final report. Specific instructions regarding credit, acknowledgment and logo use are available on the Creative BC website: https://www.creativebc.com/about-us/creative-bc-brand-assets/sb_expander_articles/592.php

13. ****UPDATE**** Touring initiatives (with the exception of the Road-To Series) must include confirmed performances in a minimum of 5 different cities. Venues can include clubs, rented halls, theatres, house shows, and school shows. Applicants must provide copies of at least 5 confirmations (one from each city) for a contracted Performance Fee, meaning you will be paid a guaranteed fee, or will be receiving a percentage of gross ticket sales and/or the take at the door.

Confirmations may include:

- contracts;
- email confirmations;
- agent provided itineraries.

Please note that text message conversations, Facebook messages or similar will not be accepted as a booking confirmation.

Confirmations must clearly indicate the following:

- the name and contact info of the booker;
- the date of confirmed performance (pending shows will not count towards the 5 confirmations);
- set length;
- a clear description of remuneration.

Grants are in support of tours occurring at least 300 km outside of the artists' geographical area. For those applying for Road-To Series funding, the same confirmation needs apply for a minimum of 3 tour dates.

14. ****UPDATE**** Showcase events can include performances at festivals or industry events. Typically showcases are unpaid performances meant to attract the interest of potential industry partners (e.g., record labels, booking agents, managers) and usually coincide with a larger industry event or conference. These showcases are produced by a third party where the organizers must invite Artists to showcase by providing an official invitation letter or contract. The showcase must be occurring at least 300 km outside of the artists' geographical area in order to be eligible for funding. Private showcase events organized by the Artist's own record label, publisher or team that features only Artists represented by the organizer will not be recognized. As an affiliate and partner of FACTOR, Music BC will accept all showcase events listed under the **Sample List of Eligible Showcase Events** available at www.factor.ca. If your event is not listed here, please contact the Music BC office prior to applying.

15. Only one artist/band can apply per grant application form. For example, multiple artists/groups going on tour together must submit separate grant applications to apply for funding. The funds awarded to one artist cannot be used to cover expenses for other artists also on tour.

16. Applicants cannot claim costs or apply for a grant deadline more than 6 months in advance of the first date of the travel initiative.

17. Artists may submit more than one application per deadline (including applications to the business travel program), keeping in mind Music BC's maximum contribution to any one artist is \$40,000 CAD per fiscal. A qualifying applicant and project does not guarantee approval.

18. Tour dates must be consecutive, without significant breaks between performances. Generally, this means no more than 5 days between performance dates.

19. Applicants do not need a Music BC membership to apply.

Music BC will develop anonymous, independent, fair and equitable peer adjudication panels comprising of three to five persons representing artists, music industry professionals and a range of music genres. Juries will review applications within six (6) to eight (8) weeks after an application deadline to select grant recipients. The identities of the jurors will not be made available to the public or applicants. All jurors are required to acknowledge any potential conflict of interest in order to ensure adjudication fairness.

Applications will be assessed on the completed application form and the quality of the support material. Music BC has discretion to award less than the amount requested and to pro-rate funding between various applicants.

Applications will be assessed on the basis of the following criteria: The market potential of the recording artist or group within their genre; the marketing strategy submitted in support of the initiative; the career leveraging opportunities for the participating artists; and the musical quality of the recording and live performance submitted.

Successful applicants will be presented a contractual agreement. Upon completion and return of a signed agreement, 75% of the award will be released to the applicant.

To receive the final payment, applicants must submit a completed final report form (supplied by Music BC upon completion of initiative). The report form should highlight some key successes that resulted from the initiative, and be accompanied by a spreadsheet of expenses, and organized copies of receipts and proof of payments of those expenses.

Significant changes to the initiative must be brought to Music BC's attention for approval. If the initiative is canceled or altered in any way without the consent of Music BC, the applicant must immediately return any monies given to the applicant by Music BC. Music BC reserves the right to pay awards by instalments other than what is outlined above, or to withhold any portion of the award, pending completion or acquisition of required documents.
